Tenants agree to comply with the following Tenant Upkeep Responsibilities. These responsibilities will help maintain the general upkeep of each rented space.

1. Tenant(s) understand the importance of the **No Smoking Policy** or vaping, respect other occupants who may not smoke. It is the responsibility of a smoking tenant to ensure the rules are followed by smoking away from other occupants' doors, windows, and balconies. Not following this expectation by the landlord could lead to eviction.
2. Tenant(s) understand the importance of the **NO Pet Policy**. It is the responsibility and expectation of the landlord for the tenant to communicate special accommodations such as an ESA animal. Failure to notify the office of an ESA animal will lead to a violation of your lease and could result in the termination of your lease. Tenant(s) must sign landlord rules for ESA animals.
3. Tenant(s) understand the importance of keeping the grounds of each rented space free of trash and debris. It is the expectation of the landlord that you will take out the trash in your rented space on a regular basis. Failure to maintain the upkeep of your property grounds could result in grounds cleaning fees equaling \$25 an hour.

Also, you need to let the maintenance team know if it is okay for them to enter your space if they cannot reach you by phone when they respond to your call. Please allow ample time for a maintenance team member to call you back with a response to your issue. Our Maintenance team works Monday – Friday 8am to 5pm. Calls after 5pm and on the weekends will be handled the next business day. In the case of an emergency, we do have a 24-hour line. Emergencies are defined as a condition that will result in damage to the premises and cannot wait until the following business day to resolve i.e. busted pipes, or broken heaters. In these cases, call anytime. * Chirping smoke detectors do not qualify as an emergency, as it is the responsibility of the tenant(s) to replace them*
11. Each tenant(s) in the residence is equally responsible for the cleanliness of all common areas (kitchen, living spaces, study areas, pantries, etc.) If cleanliness standards are not met and maintained, each tenant will be equally charged accordingly for our staff to enter and clean the premise.
12. Tenant(s) understand that if they are locked out of their apartment, there is a \$40 lockout fee that must be paid the following business day.

15. As the Landlord we spray twice a year outside for bugs/spiders. (Inside is the tenant's responsibility. This includes buying traps, sprays, etc;) Pests are generally caused by left out or old food, standing water, and not maintaining a clean residence. If you see cockroaches or bed bugs, contact the landlord's office **immediately**.
16. Utility billing varies between properties. Depending on the residence, as the tenant(s) you will be instructed by the landlord as to the method of payment. As the landlord, we require the account numbers for utilities as proof they are in the tenant(s) name.
17. Tenant(s) are required to maintain a clean residence. You must have and utilize the following: a vacuum, mop, and all other cleaning supplies necessary. Cleanliness is evaluated as well as required by the Landlord.
18. If your carpet needs to be repaired or replaced (as determined by Landlord) you will be required to make payments for that cost. Repairs/replacements will occur after you vacate.
