## *Tenant(s) Responsibilities and Landlord Expectations.*

To benefit all residents and to ensure general upkeep and proper maintenance of rented premises of each property with the knowledge and understanding of landlord expectations. Tenants agree to comply with the following Tenant Upkeep Responsibilities. These responsibilities will help maintain the general upkeep of each rented space.

1. Tenant(s) understand the importance of the **No Smoking Policy** or vaping, respect other occupants who may not smoke. It is the responsibility of a smoking tenant to ensure the rules are followed by smoking away from other occupants' doors, windows, and balconies. Not following this expectation by the landlord could lead to eviction.
2. Tenant(s) understand the importance of the **NO Pet Policy**. It is the responsibility and expectation of the landlord for the tenant to communicate special accommodations such as an ESA animal. Failure to notify the office of an ESA animal will lead to a violation of your lease and could result in the termination of your lease. Tenant(s) must sign landlord rules for ESA animals.
3. Tenant(s) understand the importance of keeping the grounds of each rented space free of trash and debris. It is the expectation of the landlord that you will take out the trash in your rented space on a regular basis. When you take out the trash you will put the trash in the right receptacle provided to you by your landlord. Failure to maintain the upkeep of your property grounds could result in grounds cleaning fees equaling \$25 an hour.
4. Tenant(s) understand the general upkeep and maintenance for the replacement of standard 60-watt light bulbs. These will be replaced by the current tenant(s) at the cost of the tenant(s) in the event one or more burn out.

It will be the responsibility of the current tenant(s) to purchase a snow removal tool. ***Please do not use salt at any time unless authorized by the landlord. You will be fined if you use salt of any kind.***
8. Tenant(s) understand the importance of respecting their neighbors by keeping noise levels normal. Any excessive noise levels will lead to a violation of the lease and could result in termination of tenancy
9. Tenant(s) understand they need to invest in a plunger in the result of a clogged toilet. A plunger may come in handy if your toilet gets clogged. Ways to avoid having to use a plunger. **DO NOT** flush flushable wipes, feminine hygiene products, or anything that could result in a clogged toilet. As the result, if we come out to unclog your toilet and your clog is the result of one or more of these items, you may be charged a maintenance fee of \$25 per hr. each time our team has to come to unclog your toilet because you failed to follow these rules.

10. Tenant(s) understand how to use the maintenance line properly. It is the expectation of the landlord that each tenant(s) treats the maintenance line respectfully. Meaning all tenant(s) will call the maintenance line leaving your name, number, and a detailed message of the repair needed or an issue that needs responding to. Also, you need to let the maintenance team know if it is okay for them to enter your space if they cannot reach you by phone when they respond to your call. Please allow ample time for a maintenance team member to call you back with a response to your issue. Our Maintenance team works Monday – Friday 8am to 5pm. Calls after 5pm and on the weekends will be handled the next business day. In the case of an emergency, we do have a 24-hour line. Emergencies are defined as a condition that will result in damage to the premises and cannot wait until the following business day to resolve i.e. busted pipes, or broken heaters. In these cases, call anytime. \* Chirping smoke detectors do not qualify as an emergency, as it is the responsibility of the tenant(s) to replace them\*
11. Each tenant(s) in the residence is equally responsible for the cleanliness of all common areas (kitchen, living spaces, study areas, pantries, etc.) If cleanliness standards are not met and maintained, each tenant will be equally charged accordingly for our staff to enter and clean the premise.

If you see cockroaches or bed bugs, contact the landlord's office **immediately**.
16. Utility billing varies between properties. Depending on the residence, as the tenant(s) you will be instructed by the landlord as to the method of payment. As the landlord, we require the account numbers for utilities as proof they are in the tenant(s) name.
17. Tenant(s) are required to maintain a clean residence. You must have and utilize the following: a vacuum, mop, and all other cleaning supplies necessary. Cleanliness is evaluated as well as required by the Landlord.
